Lemon Ricotta cookies1.25

NOTE FROM THE CHEF

A labor of love. . . We start early each morning baking our own breads and making everything possible from scratch.

Be it sauces, soups, pasta, doughs or even cannoli shells.

I believe if it can be done by hand (and believe me, my grandmother made everything by hand) then it should be.

Yes It takes longer, but its that hands-on involvement that lets the love shine through.
